UnSun, Blinced By Hatred

Lost between heaven and hell They were able to kill each other Only screams were coming out of their mouth Only screams it was like a bad dream Lost between heaven and hell They were able to kill each other Only screams were coming out of their mouth Only screams it was like a bad dream It's too late to reclaim the lost dreams The merciless world made them victims It's too late for the tears that've been shed They'll never grow up blinded by hatred Sometimes everything was all right They were able to talk together But only, only for a while Their love has made everything better Sometimes everything was all right They were able to talk together But only, only for a while Their love has made everything better It's too late to reclaim the lost dreams The merciless world made them victims It's too late for the tears that've been shed They'll never grow up blinded by hatred They were able to kill each other They knew nothing of one another They were able to kill each other They knew nothing of one another It's too late to reclaim the lost dreams The merciless world made them victims It's too late for the tears that've been shed They'll never grow up blinded by hatred
