

# UnSuNg ZeRoS, Chasing Amy

For me a case  
of regrets  
when it comes to things like this  
as I look back  
I wonder if  
if I would have let it slip  
that I like her  
and she like me  
well now i guess we'll never see  
and i'm feeling so tied down  
why is this happening  
here i go again  
wasted all the time in my life  
how could i be so stupid

twenty years down the road  
will i be the same as now  
many things  
may have changed  
but theres one change that i doubt  
and thats the way that i view all points before now  
racing through the change  
alert my memory some how  
here i go again  
wasted all the time in my life  
how could i be so stupid

here i go again  
wasted all the time in my life  
how could i be so stupid
