

# Until June, Don't Walk Away

I'm in a shattered state  
and my heart keeps breaking.  
I'm an island sinking  
slow and frail inside.  
I've tried to make this work  
a thousand times  
so don't walk away from me.  
yeah-e-yeah-e-yeah  
from me.

no.  
And if I fall from this  
will I get back up again?  
Will you carry me  
when I'm broken up inside?  
You wanted everything  
well I'm sorry now  
if you walk away from me.  
yeah-e-yeah-e-yeah  
from me.

no.  
and so you try  
to walk away.  
to walk away.  
from me.  
and if you leave me here  
and walk away  
don't walk away  
from me.

oh.  
from me.  
yeah-e-yeah-e-yeah  
from me.  
no. (x3)
