

Unwritten Law, Cailin

Well it seemed like yesterday
When the world was looking dark
It felt so cold and grey
And why the hell am I even here
What's the purpose, all I feel is guilt and hate and fear
'Til that day you came along
My heart was empty
Like the soul was missing from a song
And I thought I'd loved a few
No one ever made me feel
The way that you do
Hey little girl
Look what you do
Oh, I love you
Hey little girl, I love you
Well I know I'm not always right
And girl it breaks my heart
When I have to see you cry
So many things I wanna say
Now I know that you're the reason
That I'm here today
Whenever you're here
Just stay near
We'll be alright, yeah alright
Hey little girl
Look what you do
Oh, I love you
Hey little girl
Look what you do, and you do
When all my love starts running thin
I got you my own Cailin
Hey little girl, I love you
I'll be alright
But I need you close
Please stay tonight
As long as you're here
Just stay near
We'll be alright, yeah alright
