

Unwritten Law, Get Up

here's to the morning
think that i'm bored and crazy
yes i have been you get off when i give in
i need my second wind and i just can't take it anymore
i just can't take it when your lying on the floor

get up [x4]
cause i'm bored
get up [x4]
get up off the floor
business as usual 1,2,3
ooh la de da de come party with me
get up
cause i'm bored (ya)

come entertain us
so stupid it's contagious
mess that i've been in
i'll get off when you get in
it never seems to end

i just can't fake it anymore
i just can't take and i've heard it all before

get up [x4]
cause i'm bored
get up [x4]
get up off the floor
business as usual 1,2,3
ooh la de da de come party with me
get up
cause i'm bored (ya)

ohh don't be so dramatic
i know you almost had it
wohhh
i tried to show you but you won't go, don't know how

(get up, get up, get up, now)

get up off the floor

get up [x4]
cause i'm bored
get up [x4]
get up off the floor
business as usual 1,2,3
ooh la de da de come party with me
get up
cause i'm bored (ya)

(get up/ya)
