Unwritten Law, Machine

Frustration, Hesitation Hand in a fist gives you dislocation Become a soldier kill your coach-ah Slits on your wrist good dog, roll over

Cuz the machine must go!

I'm gonna gonna gonna cleanse my soul I'm gonna gonna let the whole world know I'm never ever gonna wait in line waste my time The machine must go

Here's my finger Fuck you! Heres my finger

No question Home religion Grown through the swine Summertime prediction

When youre ready, Go steady Funnel the meek Come on and get me

Cuz the machine must go!

I'm gonna gonna gonna cleanse my soul I'm gonna gonna let the whole world know I'm never ever gonna wait in line waste my time The machine must go

Fuck you!

Machine must go, machine must go [x3]

Cuz the machine must go!

I'm gonna gonna gonna cleanse my soul I'm gonna gonna let the whole world know I'm never ever gonna wait in line waste my time The machine must-I'm gonna gonna gonna cleanse my soul I'm gonna gonna let the whole world know I'm never ever gonna wait in line waste my time The machine must...
