

Unwritten Law, She Says

Father I've sinned
Over and over and over and over again
Sorry my friends
I'm such a mess
I'm doing the best I can
She says "Where ya going? Where ya been?"
She says "I don't want you hanging out with them"
She leaves like she's never coming back again on and on...
It goes on and on, yeah!

She says "I don't love you like I loved you before"
She says, she says "I don't love you anymore"

And mother I've tried over and over and over to open my eyes
Look at my life
Tell me when did I die
'Cause I'm not alive
Flip through the script and tell me what it says
Skip through the story tell me how it ends
She says that we're probably better off as friends
On and on and... yeah!

She says "I don't love you like I loved you before"
She says, she says... yeah!
She says "I don't love you. I don't love you anymore."
She says, she says "I don't love you. I don't love you. I don't love you anymore."

She says she says she says she says "Where ya going"
I know I know I know I know I know (I don't love you anymore)
She says she says she says she says "Where ya going"
I know I know I know I know I know (I don't love you anymore)
She says she says she says she says "Where ya going"
I know I know I know I know I know (I don't love you anymore)
She says she says she says she says "Where ya going"
I know I know I know I know what I want

You... you called the police
You called them on me
And I want to go anywhere but home
I... I'm done listening to what's wrong with me
'Cause it goes on and on and on and on, yeah!

She says "I don't love you like I loved you before"
She says, she says... yeah!
She says "I don't love you. I don't love you anymore"
She says, she says "I don't love you like I loved you anymore."
