

Unwritten Law, Take Me Away

Walk along these lonely streets with the shoes up on my feet, ya
Familiar faces appear only when i go to sleep
But i don't go there, and i don't know where, where i am, and i'm so scared ya
And i want to fall asleep, cause i know that's where we'll meet
But i sit and wonder why i'm alone again tonight,
Lets go there out of site, hey Jodi
Wont you take me away, hey hey
The clock ticks slowly away as the night falls on the day, o yeah
I haven't felt you in weeks, 's like i'm lost in outer space
And i stay out there and i don't know where, where i am, and i'm so scared ya
And i want to fall asleep, cause i know that's where we'll meet
But i sit and wonder why i'm alone again tonight,
Lets go there out of sight, yeah hey Jodi
Wont you take me away o hey hey
Hey Jodi, wont you take me away, hey hey
[solo]
And i want to fall asleep, ya, cause i know that where we'll meet
But i sit and wonder why i'm alone again tonight
Lets go there out of sight, hey Jodi
Won't you take me away, hey hey hey
Hey Jodi, won't you take me away
