

Unwritten Law, Walrus

(Hey!)

Well I read the news today
and the walrus said the lucky man made the grade yeah
well ain't that great
you say
well about the rest of that news left me empty and mad
singing the blues yeah
it's sad but true

'Cause,
Everything gets old, everyone is dull
so I keep changing
everything is gay, everyone is fake
so I can't hang around

Si-Si-Sitting back with that look on your face
like I'm a piece of crap
and you're a fucking ace well
it's time to go...
you know?
So hit the road jack
and like the song goes we ain't never coming back
because the world turned black
well don't you know?

'Cause,
Everything gets old, everyone is dull
so I keep changing
everything is gay, everyone is fake
so I can't hang around

(OoOoOO... OOOooooO)

'Cause,
Everything gets old, everyone is dull
so I keep changing
everything is gay, everyone is fake
so I can't hang around
Everything gets old, everyone is dull
so I keep changing
every word they say
every word is fake

So I won't be around

Everything gets old, everyone is dull
Everything gets old, everyone is dull
Everything gets old, everyone is dull
