

Uriah Heep, Astranaza, Part 2

Hey girl, you're the one
That got me started
And I bet you'll be
The one to get us parted
In the beginning, in the beginning
You were the only one
In the beginning, in the beginning
Now everybody's had their fun

How I'm wishing
We could live together
Ooh, but the answer
In your eyes is never
In the beginning, in the beginning
You were the only one
In the beginning, in the beginning
Everybody's had their fun

Well, you and me
And we know what we're saying
To the rest of them
It's a game we're playing
In the beginning, in the beginning
We were the only one
In the beginning, in the beginning
Everybody else will come

How I'm wishing
We could live together
Ooh, but the answer
In your eyes is never, never
In the beginning, in the beginning
You were the only one

In the beginning, in the beginning
Or the mother of my son

In the beginning, in the beginning
You were the only one
In the beginning, in the beginning
Everybody had their fun

How I'm wishing
We could live together
But the answer in your eyes is never
In the beginning, in the beginning
You were the only one
In the beginning, in the beginning
Everybody had their fun

You and me
And we know what we're saying
To the rest of them
It's a game we're playing
In the beginning, in the beginning
We were the only one
In the beginning, in the beginning
Or the mother of my son

In the beginning, in the beginning
You were the only one
In the beginning, in the beginning
Everybody had their fun
