Grinning demons smiling sideways Laughing in my face Here within my troubled sleep There's such a lonely place Running fast but never moving I can't get away Strange but realistic objects Making me their prey Then it's gone as fast as it came Evil dream Changing like the sun turns to rain It would seem La la la la, La la la la la Dining with the gods of beauty On a distant shore Tasting fruits of unknown sweetness Never seen before Dancing stars with crystal voices Beckon with their eyes Unicorn of many colours Rides to paradise Then it's gone as fast as it came Peaceful scene Changing like the sun turns to rain It would seem La la la la, La la la la la Sleepless nights that last a lifetime Crucify my head Dreams of peace and then disaster Wish that I were dead Looking for the end of darkness Seeking out the day For escape with sweeter thought of Bearing me away Then it's gone as fast as it came Evil dream Changing like the sun turns to rain It would seem La la la la, La la la la la Come into my dream
