

Uriah Heep, Free Me

(Hensley)

Why should I worry that you might not love me
You're not the only love I ever had
Your sweet memory will always comfort me
So why should I be feeling sad

Far as I can tell
You knew so well
I was always at the end of the line
I loved you as much as any man can
But not enough to make you mine

So long easy rider I know I'll miss you for awhile
But sooner or later I know that I'll forget you
Free me somebody free me won't you
Free me, free me from your spell

We let a good love die
We let it pass us by
Though you try to keep me hangin' on
But with all this doubt
It'll never work out
So tomorrow I'll be travellin' on
