

Uriah Heep, Home Again To You

Don't throw it all away
Hear what I've gotta say
Because you're always on my mind
I've got an eye on you
And only you will do
And I don't wanna waste my time

So won't you hear my out
Because it's all about when
I come home again to you

You're such a little child
You're gonna drive me wild
As I just don't know what to say
I got an eye on you
And only you will do
And I don't wanna get in your play

Hesitate, because I cannot wait
Till I come home again to you

You make me feel so old

Just like I have been told
Because it's always up to you
Oh baby, hear me out
I've done all my time
And I don't wanna be misused

So please don't hesitate
Because I cannot wait
Till I come home again to you

Can't waste all my time
Give me all today
Well it's on my mind
You can't own me
When all I wanna be
But I don't wanna waste all my time

Hear me out
Because I'll scream and out
When I come home again to you

Home to you ...
