Uriah Heep, Look At Yourself (Single Version)

I see you running, don't know what you're running from Nobody's coming, what'd you do that was so wrong? Look back and turn back, look at yourself Don't be afraid just look at yourself. If you need assistance or if all you need is love There's no point in hiding, tell me what you're frightened of You've got a friend, just look at yourself Don't be afraid, just look at yourself. Look back and turn back, look at yourself. Don't be afraid just look at yourself.
