

# Uriah Heep, One More Night (Last Farewell)

City lights are burning in the distance  
Seems they're tellin' me to hurry home  
But I can't push these wheels of mine no harder  
So hold on baby for me one more night alone  
There's time for me to take just one look over my shoulder  
One last glance at what's been going on  
'Cause I'll be there at first light in the morning  
We'll pick up the pieces baby then we'll be long gone  
Pick up the pieces and run with me as fast as you can  
You know you always said I was the man  
Pick up the pieces let's do it now let's say our last farewell  
Tomorrow may be too late as far as I can tell
