Uriah Heep, The Park

(Hensley)

Let me walk a while alone Among the sacred rocks and stones Let me look in vain belief Upon the beauty of each leaf

There is green in every glade
The tree tops been providing shade
They go spinning happy sound
All nature's strength around

And there's a horse that feels no pain Its iron strength to take the strain Children rock it to and fro And gaily trim its coloured brow

Ah ah ah ah ah ah ah

Above the sky devoid of cloud Think not to cast a thunder shroud Upon this place so full of joy A field of gold of love's employ

Ah ah ah ah ah ah ah

So why my heavy heart you say When tears would stain the sights so gay My brother's dreams once here did soar Until he died at the hand of needless war

Ah ah ah ah ah ah ah
