

Uriah Heep, What About The Music

I don't mind talking, girl
But there's a time and place
Right now we're alone, yeah
But it's just gone to waste

Look up and see the moon
Slide down the clouds
The radio is playing softly now
So if you talk above a wisdom
It's too loud

What about the music, babe
What about the moon
It's a shame if we talk music
We'll be leaving soon

You keep on talking, girl
We can talk on the phone
We should be kissing, babe
Now that we're alone

Though when they're singing
Love songs to the moon
You know it's love
That makes the flowers bloom
But you keep saying things you
Could tell me in a crowded room

What about the music, yeah
What about the moon, babe

It's a shame if we talk music
We'll be leaving soon

What about the music
Sweet soul music
What about the moon
Hey, what about the moon, babe
We are loving and I can't lose it
We'll be leaving soon

What about the music, yeah
What about the moon
I said it's a shame if we talk music
We'll be leaving soon

What about the music, yeah
What about the moon
It's a shame if we talk music
We'll be leaving soon

What about the music, yeah
What about the moon
It's a shame if we talk music
We'll be leaving soon

What about the music
What about the moon
It's a shame if we talk music
We'll be leaving soon
