

# Uriah Heep, What Can I Do (Single B Side)

I wish you'd stop and  
Give a helping hand  
For I guess I'm only half a man  
I feel the only way for me to leave  
Is just to give you  
Everything I can give  
Cause without you, without you  
What can I do  
I will give you all the love I have  
Just to know you stop me  
Being so sad  
I hope you won't think  
So badly of me  
Cause I had to tell you  
This could break myself in  
Being helpless is a habit of mine  
No one else can understand  
You are the one to  
Help me to survive  
If you're any friend of mine  
Yesterday you gave a helping hand  
To some one you'll never understand  
Though I tried to tell you of this way  
You said I had nothing  
Constructive to say  
But without you, without you  
What can I do ...
