

Useless ID, Day By Day

Another Endless Day, I Could't Find A Way
To Spend Some Time On Writing Songs With Stupid Meanings
I Can't Find A Way To Make Some Sense
My Mind Is Such A Mess, My Girlfriend Says I Really Suck
And That My Thoughts I Can't Express

Another Sunny Day, Still I Can't Find A Way
How To Describe Just What I Feel
Maybe My Brain Is Holding Still
If There's A Better Way For Me To Sing And Play
It Must Be Silence, I'm So Poor
But There's One Thing I Know For Sure

Can't Be Wrong
Can't Belong To What I Thought That I Once Were
Can't Be Right
Cannot Fight For Something That's Not Worth It
Who's To Blame
What A Shame I Don't Really Care At All

Another Rainy Day, I Can't Find A Better Way
To Give A Meaning To It All
I Guess My Luck Is Very Small
When I Woke Up Today, Drunk From Yesterday
I Know Tomorrow Will Be The Same
It's Only Me I Have To Blame
