

# Useless ID, Don't Forget

You say no to everything that looks not right  
but just remember that you might  
find yourself out of the line  
hating everything that you find  
it doesn't get us anywhere  
hating won't make people care  
you try to make things on your own  
but by yourself you're so alone

so alone!

can't you see that you're losing it?  
when there's much more to win  
sometimes wrong is so confusing  
you don't know where to begin
