

# Usher, Addictive

He breaks me down  
He builds me up  
He fills my cup  
I like it rough  
We fuss, we brawl  
We rise, we fall  
He comes in vain  
But its okay  
We do, I do  
He knows the rules  
He takes care of home (Hey, yeah)  
Though hes not alone  
Im on his knee  
He keeps me clean  
And gives me things  
He makes me scream, yeah...  
Hes so contagious  
He turns my pages (Mmm...)  
Hes got me anxious (Oh...)  
Hes what Ive waited for  
He keeps me guessin (Oh...)  
Spontaneous  
Hes so persuasive  
And Im his lady (Oh...oh...)  
Tonight is waitin (Tonight is waitin)  
And I aint complainin (And I aint complainin)  
Im entertainin (Im entertainin)  
My number one thing and (My number one)  
My back is achin (My back is achin)  
From all love makin (From all love makin)  
Oh, yes, Im taken  
Aint no use in fakin (Oh)  
My ups, my downs  
My high and my lows  
From head to toe  
He makes me blow  
He hits the spot  
He makes me hot  
Im all that hes got  
And hes all that Ive got  
Hes so contagious  
He turns my pages  
Hes got me anxious  
Hes what Ive waited for  
He keeps me guessin (He keeps me guessin)  
Spontaneous (Spontaneous)  
Hes so persuasive (So persuasive)  
And Im his lady  
Thinkin of a master plan  
You know anything you need, baby, ask your man  
You was there from a half a gram  
Now its kilos to C notes, and high fashion brass  
He ball like we own the world  
The only concern is you my only girl  
And when we sneak into chokes, breathin hard when Im squeezin you long  
Keep it strong, but I gotta hit the streets when Im done  
Its joy and pain when you try and get ahead of the game  
Its fucked up, but you never complain  
You just pray I dont killed when I hit the hood  
Just another hundred mil and Imma quit for good  
No more drug wars, trips to jail and shoot outs  
To gettin loot out for boys in bail, theyll get you boot out  
Just me and you, hour of sex and twisted  
You O.G. to D.O.D. addicted

Hes so contagious  
He turns my pages  
Hes got me anxious  
Hes what Ive waited for  
He keeps me guessin  
Spontaneous  
Hes so persuasive (So persuasive)  
And Im his lady (And Im his lady)  
Hes so contagious  
He turns my pages  
Hes got me anxious  
Hes what Ive waited for  
He keeps me guessin  
Spontaneous  
Hes so persuasive  
And Im his lady
