

# Usher, Before I Met You

Ooooohh ohh Ye yeah

Remember (x16) You Know You Changed My Life

In So Many Ways I Just Think Back To How I Used To Be And How

You Delt With Me I Just Wanna Thank You....

Just encase I Never See Your Face Again (Face Again)

Just encase The Worse Was Meant To Happen ( Happen)

Just encase Tomorrow Never Come There Is Something you should Know

I've Given You Every Bit Of The Man I Am (The Man I Am)

I Know At Times It Wasn't Pretty But It Was All I Had

And I Never Held Back Now Pull A Little Bit And The World Can

Contest To This That Baby You Filpped My Program Upside Down

I Was A Hustler And A Player Girl Before I Met You

I Took A Little Somethin Hide A Little Somethin Before I Met You

But How You Made A Difference ou Look What I've Missin

You Got My Life Together And I Thank You Forever

I Really Used To Go Out Alot Before I Met You

Had A New One Everynight and Sometimes I Had Two

But All Of That Had Changed My Game My Frame Of Mind

You Got It Right And I Love You For Life (For Life) Girl I Love You For Life

There Was So Many Times I Wasn't There For You

If Every One Of Those Times I Hated Myself For

The Way I Went About It The Ups And The Downs

One Foot In While The Other Fouts Out

Nothin On You Nothin On Another But I Ain't No

Different From Any Other Brother

So What I Give To Right Here Right Now In This Here

Place Does The Voice Stay Loud In This Here Space

With My Heart Poured Out As I State My Case As I Break it Down

To Tell You Were I'm Coming From So You See The Good You've Done

So You Feel The Change You Make Staay With Me Everyday

I Was A Hustler And A Player Girl Before I Met You

I Took A Little Somethin Hide A Little Somethin Before I Met You

But How You Made A Difference ou Look What I've Missin

You Got My Life Together And I Thank You Forever

I Really Used To Go Out Alot Before I Met You

Had A New One Everynight and Sometimes I Had Two

But All Of That Had Changed My Game My Frame Of Mind

You Got It Right And I Love You For Life (I Love You For Life) Girl I Love You For Life

Girl If I Die Tonight Before I Wake Know That You Touched My Life

In Ooo So Many Ways And Sugar Is a Song Is All I Have To Give

Would You Remember.....

Remember Remember (Remember My Heart) Remember It Was Good

Remember I Tired As Long As I Could Remember That I Gave Till I Had

Nothing Left Remember My Voice Everyday..... Oooo

I Was A Hustler And A Player Girl Before I Met You

I Took A Little Somethin Hide A Little Somethin Before I Met You

But How You Made A Difference ou Look What I've Missin

You Got My Life Together And I Thank You Forever

I Really Used To Go Out Alot Before I Met You

Had A New One Everynight and Sometimes I Had Two
