Usher, Burn

[Intro]

Girl, understand why
See it's burning me to hold onto this
I know this is something I gotta do
But that don't mean I want to
What I'm trying to say is that I-love-you I just
I feel like this is coming to an end
And its better for me to let it go now than hold on and hurt you
I gotta let it burn

[Verse 1]

It's gonna burn for me to say this
But it's comin from my heart
It's been a long time coming
But we done been fell apart
Really wanna work this out
But I don't think ya gonna change ya
I do but you don't
Think it's best we go our separate ways
Tell me why I should stay in this relationship
When I'm hurting baby, I ain't happy baby
Plus theres so many other things I gotta deal with
I think that you should let it burn

[Chorus]

When your feeling ain't the same and your body don't want to But you know gotta let it go cuz the party ain't jumpin' like it used to Even though this might bruise you Let it burn Let it burn Gotta let it burn

Deep down you know it's best for you except but you Hate the thought of her being with someone else But you know that it's over You know that it was through Let it burn Gotta let it burn
