

Usher, Confessions Pt. 1 (Extended Version)

Chorus 2x

Everything that I been doing is all bad
I got a chick on the side, with a crib and a ride
Been telling you so many lies
Aint none good it's all bad
And I just wanna confess its been, going on so long
Girl I been doing you so wrong and
I want you to know that

Verse 1

Every time I was in LA, I was with my ex-girlfriend
Every time you called I told you, baby I'm workin, no
I was out doin my dirt, oh
Wasn't thinkin bout you gettin hurt
I was hand in hand in the Beverly Center like man
Not givin a damn who sees me
So gone(I know) so wrong(Just listen)
Acting like I didnt have you sittin at home
Thinkin about me
Bein a good girl that you are
Bet you probably believe, you got a good man
a man never would do the things Ima bout to tell you I've done
Brace yourself, it ain't good
But it would be even worse if you heard this from somebody else

Chorus 2x

Verse 2

If I could turn back the hands of time and start all over I would
Instead of everything being all bad baby everything would be all good
I don't wanna lose you but I know what i'm telling u aint gon make you wanna stay
You probably just wanna run away
or mad enough to punch me in my face
Been living like an idiot and deserve every bit of it, I know
Today is the day that I aint gon lie in the plan and the bullshit girl
Im sorry, baby Im sorry
But I can no longer run around with this stress on my chest
I confess

Chrous 2x

Can you break it down, don't leave me baby

Everything that I
