

# Usher, Nice & Slow (B-Rock Remix)

(feat. Twista)

[Twista]

Usher Raymond

B-rock, remix

Twista, the first age

Yeah

So come on playa get your lick when its warm

Pull up in front of your crib now

Peep the shine on the chrome

Step out into the breeze and knees up to the back

And you got it now

Let's bump and grind till we moan

Look Shaheed ain't trying to hurt you

Slowly I got to work you

I just want to make you feel real good

Let the words rise stiff

Bumping feels good

Swaying with the smooth beat

On my candy coated cane

[Usher (Twista)]

It's seven o'clock on the dot

I'm in my drop top cruisin' the streets (yeah come on)

I got a real pretty, pretty little thing

That's waiting for me (yeah what?)

I pull up anticipating good love (break it down)

Don't keep me waiting

I got plans to put my hands in places I've never seen

Girl you know what I mean (yeah)

[1 - Usher (Twista)]

Let me take you to a place nice and quiet

Where there ain't no one there to interrupt

Ain't gotta rush

I just wanna take it nice and slow

(Nice and slow baby, nice and slow baby)

See I been waiting for this for so long

We'll be making love until the sun comes up

Baby, I just wanna take it nice and slow

(Nice and slow baby, nice and slow baby)

[Twista]

Ready? Now you gotta do me nice and slow

And have you roll on the go

I promise not to be a pest

And kiss ya places another love would've never thought to go

I didn't lose my mind

So I won't be bogus notice how I move to the South

Check this groove cause I'm down

Got you moving and swaying

When we finish we can take a cruise through the town

While my Usher cd is on, check it out

[Usher]

Now, here we are driving around town (uh)

Contemplating where I'm gonna lay you down (yeah)

Girl, you got me saying my, my, my

I wish that I could pull over

And get this thing started right now (yeah)

I wanna do something freaky to you, babe (they hear ya)

I don't think they heard me

I, I wanna do something freaky to you, babe (yeah)

So call out my name  
They call me U-S-H-E-R R-A-Y-M-O-N-D  
Now baby tell me what you wanna do with me  
Gotta nigga feenin' like Jodeci  
Every time that you role with me, holding me  
Trying to get control of me  
Nice and slowly, you know, never lettin' go  
Never messin' up the flow

[Twista]

[Usher]  
Now tell me  
Do you wanna get freaky?  
Cuz I'll freak you right I will  
I'll freak you right I will  
I'll freak you like no one has ever, ever made you feel  
I'll freak you right I will
