

Usher, Nice & Slow (B-Rock's Basement Mix)

(Usher Talking:)
What cha doing?
Really?

You know I'm coming over right?
(now baby tell what you wanna do with me)
Now you got it hot for me already baby?
Okay.
I'll be there in about uh, give me 10 minutes.
Be ready.
Hey.
Wear that little thing I like.
Bye.

(Now baby tell what you wanna do with me)
It's 7:00
On the dot
I'm in my drop top
Cruisin' the streets, Oh yeah
I gotta real pretty, pretty little thing that's waiting for me
I pull up
Anticipating, good love
Don't keep me waiting
I got plans to put my hands in places
I've never seen, girl you know what I mean.

Let me take you to a place nice and quiet
There ain't no one there to interrupt
Ain't gotta rush
I just wanna take it nice and slow.
(now baby tell me what you wanna do with me)
See I've been waiting for this for so long
We'll be makin' love until the sun comes up
Baby
I just wanna take it nice and slow.
(now baby tell me what you wanna do with me)

Now here we are
Drivin' round town
Contemplating where I'm gonna lay you down
Girl you got me sayin'
My, my, my
My
I wish that I
I
Could pull over
And get this thing started right now
I wanna do something freaky to you baby
I don't think they heard me
I, I wanna do something freaky to you baby
So call out my name.

(Usher Talking:)
They call me me U S H E R R A Y M O N D
Now baby tell me what you wanna do with me
Got a nigga feenin' like Jodeci
Every time that you roll with me, holdin' me
Tryin' to get control of me
Nice and slowly
You know
Never lettin' go
Never messin' up the flow
This is how the hook go.

Let me take you to a place nice and quiet

There ain't no one there to interrupt
Ain't gotta rush
I just wanna take it nice and slow.
(now baby tell me what you wanna do with me)
See I've been waiting for this for so long
We'll be makin' love until the sun comes up
Baby
I just wanna take it nice and slow.
(now baby tell me what you wanna do with me)

I'll freak it, freak it like no one has ever, ever made you feel -
Yeah.
(now baby tell me what you wanna do with me)
