

# Usher, Pop Ya Collar

Hello everybody, welcome today to the wonderful world of U.  
Now check it, you have two options you can eat it or throw it away...

See it's a shame that when you're working hard  
doing well people hate you  
yeah buying nothing else but the best for yourself they really hate you  
yeah ya gotta live for you and no one else  
don't let em make you feel like you're not being real  
just live how ya wanna live you gotta do for you

(Dig that)

If you work hard play hard

(Dig that)

And do what you wanna do

(Dig that)

Just pop ya collar don't let what people say bother you

(Dig that)

You perpetrators I got something to say

(Whats that?)

You can eat it or throw it away

(Picture that)

You're just mad cause you're following in my tracks now can u dig that? Hey

[Chorus 2x]

Hey ladies

(Yeah)

Hey fellas

(Yeah)

You know you're doing good cause they're jealous  
they wanna hate you cause you're a go-getter pop ya collar  
don't let 'em sweat ya

You can see me every week hanging out with a different girl sitting next to me  
cause I'm not about to settle down right now  
I gotta be free some of y'all fellas might be jealous but y'all know that don't faze me  
I just pop my collar tip my hat and turn my backs on the ones who hated me

(Dig that)

Never going home alone

(Dig that)

If she follows then you know it's on

(Dig that)

She gets the beeper not the cellular phone

(Dig that)

I let her know I won't be around for long

(Dig that)

To all you haters I got something to say

(Whats that?)

You can eat it or throw it away

(Picture that)

Stop hatin, wishin, waitin, anticipating for my heat to fade

[Chorus 2x]

I break my neck for the things I get  
so much sweat just so I can get that check  
and I'm not gonna let nobody bring me down (Nobodys gonna steal the crown)  
because I eat good I live good, I rock good, my life good  
if you got a lot and you're working for it pop ya collar don't be afraid to show it

[Chorus fades out]
