

Usher, You Make Me Wanna (Extended Version)

Uh, uh, uh, uh
This is what you do
This is what you do
Uh, uh, uh, uh
This is what you do
This is what you do

1 -□ You make me wanna leave the one I'm with
Start a new relationship with you
This is what you do
Think about her and all the things that come along with
You make me

You make me wanna leave the one I'm with
Start a new relationship with you
This is what you do
Think about her and all the things that come along with
You make me, you make me

Before anything began between us
You were like my best friend
The one I used to run and talk to
When me and my girl was having problems
You used to say it'll be OK
Suggest little nice things I should do
And when I go home at night and lay my head down
All I seem to think about was you
And how

Repeat 1

Now what's bad is you're the one that hooked us up
Knowing it should have been you

What's sad is that I love her but I'm falling for you
What should I do
Should I tell my baby bye-bye
Should I do exactly what I feel inside
'cause I, I don't wanna go, don't need to stay
But I really need to get it together

Repeat 1

At this point
(Say what?)
The situation's out of control
I never meant to hurt her
But I gotta let her go
And if she may not understand it
While all of this is going on
I tried, I tried to fight it
But the feeling's just too strong
You make me, make me

You make me wanna
You make me wanna
You make me wanna
You make me wanna

You make me wanna
You make me wanna
You make me wanna
You makin' me

Repeat 1 until fade
