

Utada Hikaru, On And On

(On & On) [x4]

I just want to dance the night, the night, away

Go ahead and make my day, Mr. DJ

(Make the night go on and on, make the night go on and on)

[Chorus:]

Honeys, if you're gay, burn it up, like a gay parade

Honeys, if you're straight, bump it up, take it all away

Intoxicated, emancipated, unapologetic's what I am today

Light me up

[Refrain:]

Make the night go on and on and on

You know we go on and on and on

Make the night go on and on and on

I'm living up my life until the day I die

Don't need a lullaby

Ee oh ee oh (on & on & on) [x4]

Music got me sweating hard

I feel my heart bumping like an 808

Uh huh, okay

Make the night go on and on

If you want to mess with us

Make the night go on and on

You can play the game with us

[Chorus]

Honeys, if you're gay, burn it up, like a gay parade

Honeys, if you're straight, bump it up, take it all away

Intoxicated, emancipated, unapologetic's what I am today

Light me up

[Refrain]

Make the night go on and on and on

You know we go on and on and on

Make the night go on and on and on

I'm living up my life until the day I die

Don't need a lullaby

Intoxicated, emancipated, unapologetic

On & on, on & on & on

Intoxicated, emancipated, unapologetic is what I am today

Light me up

Make the night go on and on and on

You know we go on and on and on

Make the night go on and on and on...
