

Utada, I Don't Love You

I don't love you.

I just saw you.
Lovin' someone else.
Oh I don't love you
Cause I know you.
Playin' yourself. You took me out to see the stars
They shone so bright and flickered in the sky
You tell me that you're only lovin' me.
Oh baby I don't think you're the type
I saw you comin' and I said.
Why not try playin' with your head
But then you knocked me off my feet.
It's too late
You saw me lovin' someone else.
It's too late.
And now I'm sittin' by myself
I knew it when I first saw you.
You're the type who plays on the mind

I see you tryin' to get to me.
Oh baby I suggest you think twice.
Cause
Baby can we be friends.
Without you I feel left out
I can't deal with no more Baby.
I'm so sorry.
so sorry
Please try to understand.
I tried so hard not to fall in love with you.
You keep on ignorin' me baby.
Now I know you're gonna hurt me too.
I don't love you anymore.
Don't love you I don't love you anymore.
Don't love you.

NO.
