

# Utada, Prisoner of Love

I'm a prisoner of love,  
Prisoner of love  
Just a prisoner of love  
I'm just a prisoner of love,  
A prisoner of love

I'm just a prisoner of love  
Just a prisoner of love

I'm gonna tell you the truth

I'm just a prisoner of love  
Just a prisoner of love

Oh  
Don't you give up  
Oh

I'm just a prisoner of love  
Just a prisoner of love

I'm just a prisoner of love  
Just a prisoner of love

I'm a prisoner of love  
Prisoner of love  
Prisoner of love  
I'm just a prisoner of love  
I'm a prisoner of love

Stay with me, stay with me  
My baby, say you love me  
Stay with me, stay with me

&lt;lyrics&gt;  
I'm a prisoner of love,  
Prisoner of love  
Just a prisoner of love  
I'm just a prisoner of love,  
A prisoner of love

Lying with an calm face,  
I smile, tired of this  
I was just trying to be at ease

It's a &quot;Crying For The Moon Blues&quot;  
Everybody searches for their own peace,  
they still struggle despite being content,  
and following for shadow of &quot;LOVE&quot;

Boring days suddenly started to shine  
since the day you appeared in my life  
I'm alright despite the loneliness and pain  
I'm just a prisoner of love  
I'm a prisoner of love

In hard times and good times  
Through stormy days and clear days, let's walk together

I'm gonna tell you the truth  
I secretly choose the hard path  
You encourage me,  
So I call only you &quot;my friend&quot;

Bluffing or greed now mean nothing  
since the day I was loved by you  
Freedom and leisure are meaningless if I am alone  
I'm just a prisoner of love  
Just a prisoner of love

Oh just a little more  
Don't you give up  
Oh I won't ever abandon you

If cruel reality tears us apart  
then we both each become stronger  
I naturally felt I can do more and more  
I'm just a prisoner of love  
Just a prisoner of love

Normal days suddenly started to shine  
since the day I fell in love with you  
I'm alright despite the loneliness and pain  
I'm just a prisoner of love  
Just a prisoner of love

I'm a prisoner of love  
Prisoner of love  
Prisoner of love  
I'm just a prisoner of love  
I'm a prisoner of love

Stay with me, stay with me  
My baby, say you love me  
Stay with me, stay with me  
Don't leave me alone
