

# Uwritten Law, You're my angel

Looking into your eyes  
I see all I want to be  
and i don't want it to end  
if I could only put to words the way  
I see you  
I only know i had an angel with me now  
and when I fall asleep  
you're all that I see  
you're in my thoughts  
and all of my prayers  
I wish I could be  
all that you mean to me  
my angel without wings  
my angel  
I wish you could see  
all that you mean to me  
but i can never find the words  
to tell you  
And when I fall asleep  
you're all that I see  
you're in my thoughts  
and all of my prayers  
I wish I could be  
all that you mean to me  
And when I fall asleep  
you're all that I see  
you're in my thoughts  
and all of my prayers  
I wish I could be  
all that you mean to me
