

# Vader, Fear Of Napalm

[Originally performed by Terrorizer]

[Music: Terrorizer / Lyrics: Oscar Garcia]

From the sky  
You'll see it fall  
Nowhere else  
left to hide  
People screaming  
Burn to ash  
Fear of dying  
Guess who's lost

Pray to live  
No more hope  
Day of doom  
Scorching flesh  
Radiation  
Lost control  
Bust to war  
Outbreak hate
