

# Vader, The Red Passage

["The red passage of Samadhi, Blood-Vision"]  
[Kenneth Grant]

A dive up with head down  
moth-winged Angel's shriek  
excretion condensed  
dignity disrespect

The Crown of Manhood  
means nothing here  
not for the sheep they pray  
they bless the buther's knife

A chant of turbid light  
sombre consolation  
caryr me, oh Hydra Mother  
to gods of festering wounds

The Crown of Manhood  
means nothing here  
not for the sheep they pray  
they bless the buther's knife

A chant of turbid light  
sombre consolation  
carry me, of Hydra Mother  
to gods of festering wounds
