Vader, Total Disaster

I was born in a dark winter night Thunder and lightning greeted me Now it's time to begin to fight Kingdom of heaven; I can't see...

My home is the bloody Hell The place where Satan rules The world is now like a big shell The fire of hell will destruct you fools

I can never trust the virgin preacher I don't believe in Jesus Christ It's all right cuz' Satan is my teacher Hidden them when we arise

I command and you get down on your knees We sacrifice infancy on Satan's order Come taste blood, our living grease Headless bodies found, one is your daughter...
