

Val Emmich, Try Me

We've both driven down this road before
Never satisfied always want more
I can't guarantee I'm what you need
But if you're wondering where this will lead

Just try me
Try me
Try me
Try me

You are hesitant waiting for signs
To move you when your courage resigns
You could be waiting a very long time
Soon you will run out of places to hide

So just try me
Try me
Try me
Try Me

Cuz you'll never know what could be waiting
It could be better than what we're anticipating

So just try me
Try me
Try Me
Try me

If this ends badly don't be mad
At us, we gave it all we had
But I hope, I hope this ends good
So I can say I knew that, that it would
