

Value Pac, Happy Star

My heart is telling me
You're more than praiseworthy
I bow before your name everyday
because You're the only one for me yeah!
No more living in fantasy
You took away my hypocrisy
I thank You for everything
You're the only one
once I was lost nowhere to be found
that was then and this is now
You freed me from my chains of sin
You broke the lock that I locked within
You gave me hope and peace inside
You're the only one for me yeah
I'm kneeling down as I sing this song
I want to praise you all day long
I thank you for everything
You're the only one
once I was blind I couldn't see
You took my blindfold off of me
You're my God
I'm not
saved me
my Lord and King
