

# Value Pac, One Way Out

All alone in this world you don't want it  
not anymore oh no  
the cares of this world can choke you out  
you got no direction you can't find your way out  
trapped in the maze that you call life  
you're not gonna make it until you see the light so bright  
these walls you built them up yourself  
locked from the inside  
can you break your way out  
which way is up which way is down  
walking in circles you can't find your way around  
but Jesus will find you  
and He'll never let you go  
Jesus will find you  
He won't leave you standing all alone  
He's gonna find you  
and He'll never let you down  
Jesus will find you He'll help you out what are you gonna do?  
the ways of this world have let you down  
you wanna make it but you don't know how  
losing this game someone called life  
you've had enough you've had it for the last time  
so watch your back as you walk astray  
turn around and walk the other way  
you only want to live for you  
someday I hope you get a clue but it's up to you
