

# Vampiria, Dark Emotions

I awake and feel a thousand hells on my soul, my tormented spirit transit the slippery surface of de

I shout at the edge of dusk, and my voice emerge inhuman, a criminal wish exploids in my mind, i'm

The fury; pleasure; the blood, i'm on extasis with morbid sensations, no hope for you tonight, in you

Dark emotions 'till I taste your blood, now you're mine and of the night, your angel's dying in darkne

The night is filled of emotions, my real being has awaked, your body rest among candles, 'till my le  
now I'm sated, satisfied, for now; just for now.
