

# Van Halen, Don't Tell Me (What Love Can Do)

It's ok, I'll do what I want if I choose  
I can take the fall, there's a choice  
It's my destiny in my hands  
Yeah, it's up to me  
I can drive  
I can shoot a gun in the streets  
Score me some heroin  
I can jump, be the sacrifice  
Bear the cross just like Jesus Christ

And I don't wanna hear what love can do  
No, I ain't gonna tell you what's right for you

Is it right, to take the easy way?  
Close your eyes, get on your knees and pray  
Now you're saved, by a higher voice  
Givin' up, givin' up, givin' up your choice

If I'm wrong, then I'll pay for it  
If I'm right, yeah you're gonna hear about it  
But I'll try, yeah I'll try for it  
I'll try and I'll try, 'til I'm satisfied

And I, I'm tired o' hearin' what love can do  
And I, ain't gonna tell you what's right for you

I've seen the damage done  
Yeah, I heard the shotgun  
And felt the settin' sun on my kingdom come  
Ohhh!

(Guitar Solo)

Is it right, uh, to take the easy way?  
I don't know, I get down on my knees and pray  
Now I'm saved, by a higher voice  
Givin' up, givin' up, givin' up my choice

If I'm wrong, hey! Then I'll pay for it  
If I'm right, yeah, you're gonna deal with it  
'Cause I'll try, yeah I'll try for it  
I'll try and I'll cry, even die for it

No, I don't wana hear what love can do  
No, I, I can't tell you what's right for you  
Oh, I, I, I tell you what love can do  
No, I, I, I can't say when your time is through

I've seen the damage done  
Oh Lord, I heard the shotgun  
I felt the settin' sun on my kingdom come  
Nooo!

(Guitar Solo)

Yeah! A-hey, hey, hey!

Don't tell me what love can do, uh  
Hey hey hey! Uh!  
Hey hey hey hey!  
Don't tell me what love can do, alright  
Hey hey hey!  
What love can do  
Hey hey hey!
