

Van Halen, Me Wise Magic

I know what you're thinkin'
What you're thinkin' is easy to see
I know what you're dreamin'
I have those same dreams
Wow!
Reach up to the feet of God
Lookin' for a sign
It was right here all the time, time, time, time!

I am you and you are me

(Do you believe?)
Don't ya trust me?
Me Wise Magic
Ow, baby hold on
(If you could see)
Through my eyes
Me Wise Magic
Ow, hold on

I feel you breathin'
Don't you trust me (trust me)
I feel you agreein'
I know what you need

Wow!
Don't you lie
Just you listen thru me
My words at best to you
A fortune coo-coo-coo-kie
(Who are you and where are we?)

(Do you believe?)
Ow! Don't ya trust me?
Me Wise Magic
Yeah, yeah ow ow!
(If you could see)
Straight through my eyes
Me Wise Magic

A little Zen
headed your way
You'll get it
halfway down the interstate
Four days from now
It all goes clear
A Buddhist riff
for your inner ear

(Guitar Solo)

(Do you believe?)
Ow! Don't ya trust me?
Me Wise Magic
Yeah yeah! Oh yeah! Whoa!
(If you could see)
Straight through my eyes
Me Wise Magic
Whoa-oh-oh!

(Do you believe?)
Tell me you believe
Do you believe?

Whoa, yeah!
(If you could see)
Me Wise Magic
(Do you believe?)
Me Wise Magic
(If you could see)
Me Wise Magic
(Oooooooooo)
