

# Van Halen, Pleasure Dome

Well now, none of this was planned  
It all just kinda happened  
I got more than I wanted, but how is still a mystery  
Obsessed with this feeling, I trusted it. So I followed it  
A-stripping and stumbling across a land full of miracles  
Ow!

Into a world so far from home  
Miles and miles from nowhere  
Rooms without doors open for me. Oh, no!  
Taking me miles and miles from nowhere

Oh, (miles and miles). Oh, yeah!

Lost, in this pleasure dome  
Lost, in my own pleasure dome

Oh man, I ain't got a clue how to get out  
Or how to find this place  
I want my control back, but I'm afraid I'll lose that feeling. Ow!

Lost in a world so far from home  
I'm miles and miles from nowhere  
Fallin' inside my own pleasure dome  
I'm miles and miles from nowhere

Oh, (miles and miles). Oh, yeah!

Lost in this pleasure dome  
Lost inside my pleasure dome

Ahhhhhhhhh!

(Guitar Solo)

Lost in a world. Can't find my way home  
Miles and miles from nowhere  
Fallin' inside my own pleasure dome  
Miles and miles from nowhere  
Millions of miles. Oh, no  
Miles and miles and miles from nowhere

Miles and miles and miles and miles  
Oh!

Lost, in this pleasure dome  
Lost, inside my pleasure dome  
Yeah

(Guitar Solo)
