Uh!  
Hey!  
Oh yeah!

Ain't no way I'm sittin' home tonight  
I'll be out until the mornin' light  
A-just-a hangin' 'round let me look for parkin' lots  
Oh, checkin' out all the girls, see what they got

Wow! 'Cause they love it, when me an' the boys  
Wanna play some love with them human toys  
Woq! We wind 'em up n' let 'em go. Whoa! Oh yeah  
Whoa yeah!

Woo! Summer nights and my radio  
(Ah-ah) Well that's all we need, baby. Don'tcha know?  
We celebrate when the gang's all here  
(Ah-ah) Ah, hot summer nights, that's my time of the year-ow!

We made it through the cold  
And that freezin' snow is gettin' old, hey!  
Next year I'll head out for the coast  
Whaddya say fellas? That might just call for a toast  
Now whaddya say?

And I got a line, (Ooh-ooh) you grab that pole (Ooh-ooh)  
I'll meet you down at (Ooh-ooh) the ole fishin' hole  
Wow! Them girls are bitin' good tonight  
Ow! Uh-Oh! Whoa yeah!
