

# Van Halen, Where Have All The Good Times Gone

Woo wee!  
Ooh!  
Mmmmm! Uh!

All my life I've never stopped to worry 'bout a thing  
Open up and shout it out, an' never try to sing  
Wondering if I've done it wrong  
Will this depression last for long?

Won't you tell me  
Where have all the good times gone?  
Where have all the good times gone?  
Where have all the good times gone?

Once we had an easy ride and always felt the same  
Time was on our side an' we had everything to gain  
This could be like yesterday  
Is that me, oh happy days!

Ma and pa look back on all the things they used to do  
Never had no money an' they always told the truth  
Daddy didn't need no little toys  
Mommy didn't need no little boys, ah!

Won't you tell me  
Where have all the good times gone?  
Where have all the good times gone?  
Where have all the good times gone?  
Ow!

Yesterday was such an easy game for you to play  
Ah but then let's face it, things are easier today  
Yes, you need some bringing down  
Get your feet back on the ground, ah!

Won't you tell me  
Where have all the good times gone?  
Where have all the good times gone?  
Where have all the good times gone?  
Where have all the good times gone?  
Where have all the good times gone?  
Where have all the good times gone?
