

Van Morrison, Carry On Regardless

(Van Morrison)

Carry on regardless, in spite of the music business scam
Carry on regardless, in spite of all the petty minded little women and men
Carry on regardless, when everybody don't give a damn

Carry on and start all over again, in spite of all the TV trash
Carry on regardless, in spite of all the media rehash
And the white wash, the brain wash and all the white trash

Carry on regardless, baby, baby, baby, baby, baby, baby when your on a roll
Carry on regardless, just to satisfy your soul

Carry on up the Khyber, carry on, carry on Dick
Carry on up the Khyber Pass, won't you carry on, carry on Dick
Carry on you got to make it last
Carry on you gotta make it stick

Carry on baby when, when you're on a roll
Carry on baby, baby, baby, baby, baby
Got to satisfy your soul

Carry on up the Khyber Pass, carry on doctor, carry on nurse
Carry on regardless, carry on doctor, carry on nurse
Carry on till you get what your after
Carry on till it can't get much worse

Carry on regardless
Carry on up, carry on up, carry on up
Carry on up, carry on up, carry on up
Carry on do the dog, carry on do the crazy pup, alright
Carry on forever
Carry on until you make it stick
