

# Van Morrison, Down To Earth

Well, I wake up  
and I'm slowly  
a-comin' down.  
I'm just tryin'  
to get my feet back  
on the ground.  
I got more  
of an idea  
just exactly  
what I'm worth.  
Baby, baby, I wake up  
and I'm comin'  
down to earth.  
Yeah, baby, baby, I wake up  
and I'm comin'  
down to earth.  
Was I  
ever wrong  
about so much?  
That's all you get,  
get completely  
out of touch.  
And it's a very, very, very, very painful thing  
when you witness your  
death and your birth.  
Baby, baby, baby, I wake up,  
I wake up  
and I'm comin'  
down to earth.  
Yeah,  
baby, baby, baby, I wake up  
and I'm comin'  
down to earth,  
yeah.

Back here,  
back here  
on the planet,  
a-been a long, long, long fall,  
but that's  
always just a problem  
when you think you know it all.  
And it's a very, very, very, very, very painful thing  
when you witness your own  
death and your birth.  
Baby, baby, I wake up, I wake up  
and I'm comin'  
down to earth.  
Yeah, yeah, yeah, yeah, yeah, I wake up  
and I'm comin'  
down to earth.  
Yeah,  
yeah,  
yeah, I wake up  
and I'm comin',  
babe, I wake up, I wake up.  
Ow!, woke up this mornin',  
I walked out, walked out the door,  
got in my car and I drove  
down the road,  
down the road.  
I woke up,  
I woke up,  
and I woke up,

yeah, yeah, yeah I,  
babe, I wake up,  
I wake up,  
I wake up.
