Van Morrison, Everyone

We shall walk again down along the lane Down the avenue just like we used to do With our heads so high smile at the passers by Then we'll softly sigh ay, ay, ay, ay, ay

[Chorus:]

Everyone, everyone, everyone Everyone, everyone, everyone

By the winding stream we shall lie and dream We'll make dreams come true if we want them to Yes all will come play the pipes and drum Sing a happy song and we'll sing along

[Chorus]

[Repeat 1st Verse]
