

# Van Morrison, Feedback Out On Highway 101

Feedback  
out on Highway 101.  
Feedback  
out on Highway 101.  
Cruisin' easy,  
and your favorite DJ  
havin' fun.  
Look out, stand back,  
there's a fool out on the road.  
Look out,  
stand back,  
there's a fool out on the road.  
Had one too many drinks  
and he just may overload.  
Stand back.

Night time  
cruisin' 'long,  
cruisin' along.  
Night time cruisin',  
night time cruisin' along.  
You don't see the setting sun  
[even 'fore the mornin' come ??].

Feedback,  
feedback  
out on  
Highway 101.  
Feedback,  
feedback, feedback,

out on Highway 101.  
Cruisin' easy and your  
favorite DJ is
