Van Morrison, I Love You (The Smile You Smile)

The smile you smile as you and I See through your laughing eyes The smile you smile as you and I See through your laughing eyes Oh, baby In the whirlpool of them, I Can be in paradise

I'd go roamin' in the gloamin'
Ever and a day with you
Oh yes, I will
I'd go roamin' in the gloamin'
Ever and a day with you
Oh baby
Sit between the stars and say
That's my point of view
Oh yes

I, I, I, I, love you

I, I, I, I love you

In the purple heather
On a hillside mountain fog will stray
Oh yeah
In the purple heather
On a hillside mountain fog will stray

Oh yeah An' chase the colored grass Around us in the same old way

I, I, I, I, love you, baby I, I, I, I, love you, oh yeah.
