

# Van Morrison, Only A Dream

(Van Morrison)

Only a dream  
That I had in the night  
Only a dream  
But it felt so right

We were standing in the moonlight  
I was holding you tight  
But it was only a dream

Only a dream  
And that knocked me off of my feet  
Only a dream  
It was dancing in the street

And the big band kept on playing  
Of Bonaparte's retreat  
But it was only a dream

Only a dream  
But somebody  
Tried to knock it down

Only a dream  
But that dream  
Keeps hanging around

Only a dream  
We were roiling in the snow  
Only a dream  
And we just couldn't let go

I sat outside the window  
It was just like Romeo  
But it was only a dream

Only a dream but somebody  
Tried to knock it down  
Only a dream but that dream  
Is still around

Up on Mockingbird hill  
And I'm feeling no pain  
All the birds are singing  
Their all so sweet refrain

If I had to do it all over  
I'd do the same thing again  
'Cos it was only a dream

Oh 'cos it s only a dream  
That knocked me off of my feet

Only a dream  
We were dancing  
Out in the street

And the big band kept on playing  
Of Bonaparte's retreat  
But it was only a dream

Oh but it was only just a dream  
Din but it was only a dream

Oh but it was only a dream  
Oh what a dream
